STAT

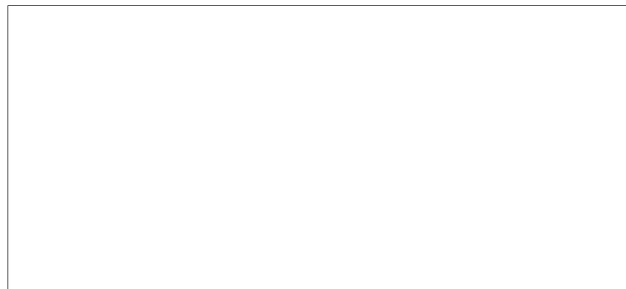

MEMORANDUM FOR:
Director, Office of Technical Services

SUBJECT: NMIA Certificates of Appreciation

On Thursday, 23 May 1985, I will be presenting the keynote address at the annual banquet of the Potomac Chapter of the National Military Intelligence Association (NMIA). This organization is dedicated to increasing professionalism within the Intelligence Community and includes both civilian and military members with an approximately even split between active and retired personnel. This year, the Potomac Chapter has instituted a series of awards to honor people chosen by the heads of the Service Intelligence organizations who exemplify "...the highest standards of Intelligence professionalism and dedication to duty and country." Request the assistance of OTS/OG/GAD/G in the design and printing of a limited number (15) of certificates of appreciation to be awarded to designated individuals for the first time at the upcoming banquet.
